Trash 2 Treasure Market - 2021

Market Site – Application Form (Page 3 of 3)

COVID-19 RESTRICTION REQUIREMENTS All Stallholders

1. Must stay home and avoid contact if feeling unwell.
2. Must wear appropriate Personal Protective Equipment (PPE) face mask for the duration of their time at the market, *or as directed by the current Government COVID-19 regulations*
3. Must keep aware of current Government directives, including those regarding travelling from orange & red zones etc and comply appropriately
4. Are encouraged to have downloaded and have active on their mobile phone the Commonwealth Government **COVIDSafe** application for all of the time they are in the precinct of the Market.
5. Must have a table or barrier between their serving area and the general public of sufficient width to encourage a 1.5 metre distance between staff and the public.
6. Must have on display suitable signage to encourage safe activity in the Covid19 environment, including 1.5 metres spacing between each person, when moving or queuing in the Stallholder's area.
7. Must have on each table a hand sanitiser dispenser with alcoholic sanitiser for use by the Stallholder and customers.
8. Must regularly clean and sanitise common contact surfaces using a disinfectant to help to reduce the spread of infection.
9. Must have their own rubbish container and take all of their rubbish and any public rubbish caused as a consequence of their activity, away with you at the end of the market.
10. Must comply with the appropriate food handling regulations, if you handle or sell food.
11. Must keep accurate records of all personnel working at the Market each Sunday, including contact details for accurate contact tracing purposes.
12. Must familiarise themselves with all COVIDSafe regulations that apply to business activity;
13. Must have a lawful COVIDSafe plan and protocols in place, and if requested by the organisers produce for the organisers' inspection.
14. The Insurer will not cover personal injury as a result of your reckless disregard of any guidelines, principles or instruction issued by the Australian Government, relevant State or Territory Government, the New Zealand Government or any other relevant Government jurisdiction you operate in, regarding any infectious or communicable disease, bacteria or virus.
