outer east foodshare

Volunteer Drivers

We Need You and You and You and You

What do we do?

Outer East FoodShare regularly collects food in its refrigerated van (automatic Hyundai 1tonne iLoad) from Foodbank, OzHarvest, Second-Bite, Rapid Relief Team and Feed One Feed All.

We deliver to volunteer agencies in the Yarra Ranges hills who then distribute the food to the many families and community members in need of support.

When do we do it?

usually Mondays and Fridays - times can vary depending on supply.

Who is suitable?

You - if you have a full Driving Licence.
You - if you can load and unload crates and boxes
You - if you'd love to help our community
You - if you want to get involved with amazing people who care

For further information please give Dianne a call

Organisation History

Outer East Foodshare Inc (OEF) was formed in 2012, and was an initiative of the Yarra Ranges Emergency Relief Network, which comprises of organisations that provide food relief and material aid to people in need. The Board of OEF comprises of volunteers from a range of professional backgrounds. Currently OEF does not have employees.

About our Organisation

The principal objectives and activities of OEF are:
a. To provide Recipient Organisations in Outer East Melbourne with better access to a variety of free or low-cost quality food including fresh fruit and vegetables, so that those organisations can provide a food service to persons in need.
b. To conduct a public fund for the provision of relief for persons in necessitous circumstances who reside in the Outer Eastern Metropolitan region of Melbourne
c. Make other health and wellbeing services available to Recipient Organisations or to persons residing in the Outer Eastern Metropolitan region of Melbourne who are in need.
d. Organise appropriate activities for carrying out the above objectives.

Benefits of Volunteering at OEF

Many of our volunteers have benefited from being a part of OEF. Here are some of the benefits you can expect:

- Learning new skills
- Making new friends
- Gaining work experience
